Static Balloon

Name: _____ Date: _____

1 My Prediction

What will the rubbed balloon do to the paper?

- ◯ It will pick up the paper.
- ◯ Nothing will happen.

Draw your prediction.

2 What I Saw

Draw the balloon and the paper bits.

Draw it here.

3 What Happened?

The balloon pulled the paper because ...

Science Words

static	a tiny pull made by rubbing
rub	to push back and forth
pull	to bring close
