Floating Egg

Name: _____ Date: _____

1 My Prediction

What will the egg do in salt water?

- ◯ It will float.
- ◯ It will sink.

Draw your prediction.

2 What I Saw

Draw the egg in plain water and in salt water.

Draw it here.

3 What Happened?

The egg floated because ...

Science Words

salt	tiny white crystals you add to food
float	to stay on top
heavy	hard to lift
